PRIZE FIGHT POSTPONED

Fitzsimmons-Burns Bout Off Till Next Week, Owing to Pennypacker Order.

Philadelphia, May 30.—The 20-round fight between Fitzsimmons and Burns, which was to have taken place Tuesday night before the Tuxedo Athletic Club at North Essington, 10 miles from this city, has been postponed until Wednesday of next week as a result of the order issued by the governor of Pennsylvania to the state constabulary to prevent the bout. The officials of the club will at once take legal action with a view of holding the fight on the new date. This was decided upon when Captain Groome, superintendent of the state police, had assured the club managers that he intended to carry out to the letter the orders issued to him by Governor Pennypacker. A detachment of troop C of the state police force, commanded by Lieutenant Smith and numbering about 20 men, arrived at North Essington from their barracks at Reading, but found they were not needed, as the club had called off the fight before they arrived. They were not mounted, but each man was armed and carried about 100 rounds of ammunition.

The postponement of the fight was a great disappointment to thousands of followers of the sport, many of whom had come from other cities to see the bout. Fitzsimmons and Burns arrived at North Essington, and each was in fine fettle for the fight. Their managers criticized the authorities for taking action at the eleventh hour and subjecting them to great expense in preparing for the contest. A crowded house was expected, two-thirds of the seating capacity of the house having been sold in advance.

REVOLUTION IN FULL SWING

Guatemala Rebels Forced to Retire From Ocos.

Mexico City, May 30.—General Castello, commanding one detachment of Guatemalan revolutionists, after taking the city of Ocos, was forced to retire before superior forces. Castello is now reported to have taken a new base and will be reinforced by several hundred good fighting men from the steamer Empire City. General Barillas is in the mountains, making his way to Quetzaltenango. Barillas has with him a fine body of picked men and is reported to be steadily recruiting his force. No news has been received here from Salvador, but the invading force should by this time be well advanced into Guatemala. Resident Guatemalans here state that the whole country is ripe for the overthrow of Cabrera. The season of rains has set in and the roads are bad in Guatemala. Telegraphic communication is difficult owing to the cutting of wires on the Guatemalan side.

The revolution is said to be the most widely spread of any in the history of Guatemala. Foreign planters have been waiting for months for General Barillas to act. Practically all foreign interests and many of the better class of natives support the revolution. Frequent abuse of power is charged to the government.
